All the Heads of Schools affiliated to CBSE

Subject: National Automobile Olympiad (NAO) – 2025 – reg.

Madam/Sir,

Automotive industry plays a crucial role in our economy and demands a skilled workforce to meet its evolving requirements. With the aim to promote and nurture automotive skills among students across the country, **CBSE** in collaboration with the **Automotive Skills Development Council (ASDC)** is launching the ***'National Automobile Olympiad 2025'***.

About program: - **National Automobile Olympiad (NAO) 2025**, a prestigious event aimed at promoting and nurturing automotive skills among students across the country. As you are well aware, the automotive industry plays a crucial role in our economy and demands a skilled workforce to meet its evolving requirements. This Olympiad provides an excellent platform for students to showcase their knowledge, expertise, and problem-solving abilities in the field of automobiles.
By participating in the NAO 2025, schools can offer their students a unique chance to engage in friendly competition, enhance their skills, and gain invaluable exposure to the automotive industry. The Olympiad incorporates various activities, including theoretical assessments, practical demonstrations, and problem-solving exercises, enabling students to apply their classroom knowledge to real-world scenarios. Additionally, students will have the opportunity to interact with industry experts, gain insights into emerging automotive technologies, and explore diverse career prospects.

Participation eligibility: This **program is free and open for students of CBSE affiliated schools studying from Class VI to Class XII.**

Benefits: Participation in the NAO 2025 would significantly enhance the skilling in students and enable a wider pool of students to benefit from this opportunity. Also, encouraging students to participate in the Olympiad aligns perfectly with the board's commitment to providing holistic education and fostering skill development among students.
Therefore, Principals of the affiliated schools are requested to encourage their students to participate in National Automobile Olympiad (NAO) 2025 and empowering students with **practical skills and knowledge in the automotive sector.**

Please refer to the attached document for more details about National Automobile Olympiad (NAO) 2025. **Last date for registration is 31st July 2025**.

Industry Insight

The Indian Automotive Industry is one of the fastest-growing markets of the world and contributes significantly to the country's manufacturing eco-system.

The future workforce of this industry will need to work on a series of non-routine tasks that require social intelligence, complex critical thinking and creative problem-solving ability to remain relevant in the auto industry.

Changing market demand: The launch of smart, connected vehicles points towards the presence of more Electrical & Electronics parts in newer vehicles. To meet up with this trend Original Equipment Manufacturers (OEMs) /Auto component manufacturers now also require electronic and electrical engineers, Telematics, Vehicle Networking, Automation, Artificial Intelligence (AI), Internet of Things (IoT) specialists and Data Analytics.

India is the **4th** largest automobile market in the world, with an annual turnover of over **$100 Billion**.

Currently Employs
37 Million
People in India.

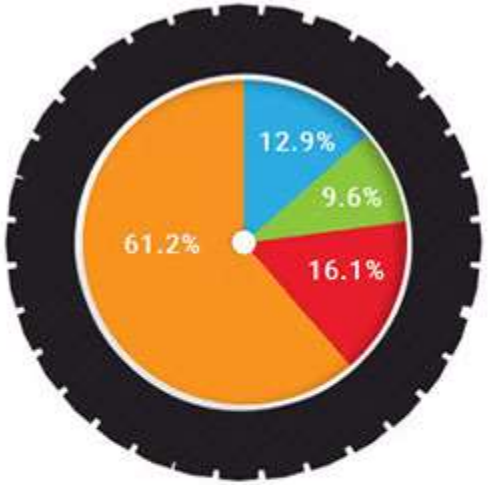

India is expected to generate the employment of **65** Million people **by 2026**

The Indian automobile industry contributes around **7.5%** to the country's GDP.

About National Automobile Olympiad (NAO)

The ASDC National Automobile Olympiad is an endeavor to engage with the school and students, build excitement and raise awareness of the automobile industry.

The competition also aims to recognize young learners for their talents in the field and to assist them in exploring the wide range of career opportunities within the industry in areas like IT, mechatronics, robotics,3D printing, Al, machine and deep learning, analytics, virtual collaboration, automotive design and computational thinking.

OBJECTIVE OF NAO

The National Automobile Olympiad promotes Automotive skills among students, bridging academic knowledge with industry needs. It offers practical exposure to advanced technologies, fosters innovation, and enhances skill-based education. By providing a platform for showcasing talent, it prepares young minds for the evolving Automotive Industry.

Safety

Sustainability

Smart Mobility

are the 3 new S of the Automobile Industry.
