UGC has circulated guidelines on Public Self-Disclosure by Higher Education Institutions, 2024, dated 10.06.2024. As per the Guidelines, all Higher Education Institutions are required to maintain a functional website to provide relevant information to stakeholders. The information disclosed on the website should be easily accessible to everyone, on the home page, without any need for registration or login. Additionally, there should be a 'search' facility available for easy navigation.

Also, the Universities were directed to submit detailed information for inspection purposes under Section 13 of the UGC Act, 1956 (soft copy only in the prescribed format available at the UGC website at the link https://www.ugc.gov.in/oldpdf/proformaprivateuniversities.pdf) along with supporting documents duly attested by the Registrar of the University within the stipulated period. The Universities were also directed to upload the filled-in format and appendices on their website by giving a link on the home page so that the information is accessible to the students and the general public.

The above was followed by several reminders through e-mails and online meetings.

It has been noticed that 54 State private Universities have not submitted the Information under Section 13 of the UGC Act, 1956, or have not uploaded the Public Self-Disclosure information on their respective website.

Accordingly, the list of universities that are yet to comply with the directions issued by the UGC is attached.
